

REMARKS

Proposed drawings for Figures 1 and 2 are submitted herewith. As stated in Applicants' amendment filed February 12, 2002, the enclosed proposed drawings are additional views illustrating the plate-shaped support as requested by the Examiner.

Applicants have attempted to be fully responsive to the Examiner's request and believe that the application now stands in condition for allowance. Action to this end is courteously solicited.

Should the Examiner have any further comments or suggestions, the undersigned would very much welcome a telephone call in order to discuss appropriate claim language that will place the application into condition for allowance.

Respectfully Submitted,

Robert W. Becker, Reg. No. 26,255
